DIRECTIONS TO RECOVERY AND REHABILITATION CENTRE

The Recovery and Rehabilitation Centre is situated on Firlands Equestrian Estate, just off the N2.

Take the N2 direction Somerset West.

Go through all the traffic lights on the N2 through Somerset West / Strand.

After the last traffic light, on the N2 just past Somerset West, there is a Shell Garage on your right hand side – turn right immediately after the Shell Garage and then immediately take your first left into a small road (it looks like its falling apart but it does lead to somewhere!).

There is a cream building on your left hand side. As you continue you will see the black gates of Firlands Park. Enter through the security gate and continue straight over the speed bumps.

Where the road bends to the right you will see two driveways, take the left driveway up along the white fence. You will see paddocks immediately to your left. The property is number 15.
