

Newsletter April 2011

NEW ARRIVAL – Despite a pelvic injury, Sweetheart safely gave birth to a colt foal this month at the R & R. The Inspectors are negotiating names. Diana favours Elvis the Pelvis, whilst Karin prefers Prince Casper! He was finally named Royal Wooton Bassett.

STILL AWAITING MONA – Episode two! Fatter, more pregnant but no foal yet. Hope to have a happy announcement next month. Watch this space.

ALL IN A DAYS WORK – Our staff and vehicles fell victim to the recent taxi violence. Returning from the Boland outreach clinic, Trainee Inspector Jacques Buys and farriers Ashley and Moses unwittingly drove into a stone throwing mob. Staff were shaken but unhurt. The vehicles were damaged to the tune of 20K.

TEA & TOUR – For those who would like to get up close and personal with the world of the working cart horses, we offer a unique monthly experience. Due to transport constraints we can accommodate only six people at a time. Visitors will interact with staff, see how we operate at the Epping clinic and be taken on a field trip. See calendar below.

WINTER WARMER RAFFLE – Win a bumper prize. Contact Lisbe on fund@carthorse.org.za or 021 – 535 3435 for your raffle sheet.

MY SCHOOL CARD – A painless way to support CHPA is by acquiring a MySchool card. Each swipe of your card at a participating store benefits a cart horse. Contact Megan on megan@carthorse.org.za for an application form. Last month MySchool swipes generated R1323.92.
